Re: Contract No. 68-W9-0009, TES 12
Work Assignment No. R10054
EPA I.D. No. WAD009036906

Dear Mr. *Jim* Pankanin:

Enclosed is a report dated July 10, 1993 from Niedermeyer-Martin regarding the Ridgefield Brick and Tile facility. The report was made in response to the Operations and Maintenance inspection (O&M) conducted by PRC for EPA.

Please submit a copy of the final PRC O&M report and the enclosed report to your subcontractor Robert Farrell for review. I would like to receive a draft letter report from Mr. Farrell within approximately six weeks providing his opinion of RBT's proposed monitoring plan. Telephone conferences regarding this issue would be welcome, and I can be reached at (206) 553-0684.

Thank you for your assistance in this matter.

Sincerely,

Marcia L. Bailey, D.Env.
Environmental Scientist
